

EIT Raw Materials: 3rd Greek Raw Materials Community Dialogue
4th –5th December 2018, Royal Olympic hotel, 28-34 Athanasiou Diakou Str., Athens, GREECE

AGENDA - Day 1: Tuesday December 4th 2018

09:30 –10:10	Registration	
10:10 – 10:30	Welcome – Opening of the 3rd Greek Raw Materials Dialogue	Ch. Kanellopoulos, Special Advisor, Ministry of Economy and Development I. Paspaliaris, Vice Rector, NTUA <i>Director, EIT RawMaterials Hub- Regional Center Greece</i> D. Kaliampakos, Dean, School of Mining and Metallurgical Engineering, NTUA.
Challenges and opportunities for the Greek Raw Materials Sector		Chair: I. Paspaliaris
10:30 – 10:45	EIT RawMaterials Objectives, Impact, Strategy and Future Plans	K. Kubacki, ECLC General Manager, EIT RawMaterials
10:45 – 11:00	Ministry of Environment & Energy New provisions of the licensing process for quarry minerals and ores	M. Chalkiadakis, Geologist, General Directorate of Mineral Resources – Ministry of Environment & Energy
11:00 – 11:15	Ministry of Economy and Development Digital metamorphosis of Industry	G. Drosos, Head of Business Innovation Policy Support Department, National Representative to the EU for Digitising Industry, Ministry of Economy and Development
11:15 – 11:30	Hellenic Federation of Enterprises (SEV) Title TBC	Y. Mitsos Senior Advisor, Industry, Growth & Infrastructure, Hellenic Federation of Enterprises (SEV)
11:30 – 11:45	National Technical University of Athens Raw Materials Policy Related EU projects	M. Taxiarchou, Professor, Sch. Of Mining and Metallurgical Engineering, EIT RM Hub - Regional Center Greece/ NTUA
11:45 – 12:00	EIT RawMaterials Education and Training Opportunities	I. Gomboto, ECLC Education Officer, EIT RawMaterials
12:00 – 12:30	Q & A	
12:30 – 13:30	Lunch and networking	
Stories From the Frontline I: Innovation, Vision and Challenges		Chair: I. Paspaliaris/ K. Adam
13:30 –13:40	EIT RawMaterials Opportunities and Success Stories on Innovation	A. Politis, ECLC Business Developer, EIT RawMaterials
13:40 –13:50	Imerys Industrial Minerals Greece S.A. Towards Specialty Composites from Industrial Minerals: Road to innovation	A. Karalis, Science & Technology Manager, Bentonite & Perlite application., Imerys Industrial Minerals Greece S.A.
13:50 –14:00	TITAN Group Research & Innovation at TITAN	M. Katsiotis, Group Research & Innovation Manager, TITAN Group
14:00 –14:10	Grecian Magnesite S.A. Old tailings: a secondary source for microcrystalline magnesite	A. Valatsos, Beneficiation Manager, Mining Engineer, Grecian Magnesite S.A.
14:10 –14:20	AOG - Mytilineos SA Practice, research and barriers in secondary mining of industrial residues at Aluminium of Greece	E. Balomenos, Residue-valorisation, external associate, AOG, Metallurgy Business Unit, Mytilineos SA

EIT Raw Materials: 3rd Greek Raw Materials Community Dialogue

4th –5th December 2018, Royal Olympic hotel, 28-34 Athanasiou Diakou Str., Athens, GREECE

14:20 –14:30	Monolithos Catalysts & Recycling Ltd Prometheus: First commercial copper based automotive catalyst for automotive applications	I. Yakoumis , Founder and CEO, <i>Monolithos Catalysts & Recycling Ltd</i> President, <i>INNOVATION GREECE</i>
14:30 – 14:40	Nanophos SA NanoPhos' Innovation To Market	N. Athanasakou , Technical Support & Production Manager, <i>Nanophos SA</i>
14:40 – 15:00	Q & A	
15:00 – 15:30	Coffee break and networking	
Stories From the Frontline II: EIT RawMaterials Community		Chair: K. Kubacki
15:30 – 15:40	EIT RawMaterials EIT RawMaterials RIS Strategy and Activities	M. Klein ECLC Business Developer, <i>EIT RawMaterials</i>
15:40 – 15:50	Activities of the EIT RawMaterials Hub - Regional Center Greece	A. Gaki , Project Manager, <i>EIT RM Hub - Regional Center Greece/ NTUA</i>
15:50 – 16:10	EIT RM Innovations and RIS Hubs: Regional Center ADRIA Regional Center Kosice Regional Center Freiberg Regional Center Leoben	U. Šolc , Project Coordinator, <i>Geological Survey of Slovenia (GeosZ), RC ADRIA</i> T. Pavlik , Project Manager, <i>RC KOSICE (on-line)</i> D. Berger , General manager, <i>RC Freiberg</i> A. Meyer , Research & Project Manager <i>Resources Innovation Center Leoben, RC Leoben</i>
16:10 – 16:25	EIT RawMaterials RIS Projects: RESEERVE & SPL-CYCLE	A. Mladenovič , SPL-CYCLE Project Coordinator, <i>Slovenian National Building and Civil Engineering Institute (ZAG)</i> U. Šolc , RESEERVE Project Coordinator, <i>Geological Survey of Slovenia (GeosZ)</i>
16:25 – 16:45	The EIT Community in the Region: EIT InnoEnergy Hub Greece & Cyprus EIT Climate KIC Hub Greece EIT Climate KIC Hub Cyprus <i>EIT Digital Hub Greece</i> <i>EIT Food Hub Greece</i>	Y. Geragotellis , Managing Director of <i>KINNO Consultants Ltd</i> , Manager of <i>EIT InnoEnergy Hub Greece & Cyprus</i> P. Koundouri , Prof. <i>Athens University of Economics and Business and LSE</i> , Co-Chair <i>UN SDSN Greece</i> , Director of <i>EIT Climate KIC Hub Greece</i> S. Procopiou , Managing Director & Co-Founder <i>Chrysalis LEAP</i> , <i>EIT Climate KIC Hub Cyprus</i>
16:45 – 17:15	Q & A	
17:15 – 18:00	Discussion and Closure of 1st Day	
18:00 – 20:00	Networking Cocktail	

EIT Raw Materials: 3rd Greek Raw Materials Community Dialogue
4th –5th December 2018, Royal Olympic hotel, 28-34 Athanasiou Diakou Str., Athens, GREECE

AGENDA - Day 2: Wednesday December 5th 2018

09:00 – 09:10	Opening of Day 2	I. Paspaliaris, Vice Rector, NTUA Director, EIT RawMaterials Hub- Regional Center Greece
09:10 – 09:30	Greek Mining Enterprises Association (GMEA) Title TBC	A. Kefalas, President, Greek Mining Enterprises Association
09:30 – 10:45	Discussion I: Education and Training	Chair: D. Kaliampakos
	I. Gomboto, ECLC Education Officer, EIT RawMaterials	
	K. Adam, Professor, Sch. Of Mining and Metallurgical Engineering, NTUA	
	G. Gaidajis, Professor, Dep. of Production and Management Engineering, DUTH	
	K. Christanis, President of IGME, Professor, Dep. of Geology, University of Patras	
	S. Yiatros, Professor, Dept of Civil Engineering & Geomatics, Cyprus University of Technology, Education Lead, EIT RIS/Climate-KIC Cyprus	
	P. Papaioannou, Deputy Director of Training & H.R. Development Division, EYDAP	
10:45 – 11:00	Coffee break and networking	
11:00 – 12:30	Discussion II: Innovation	Chair: -D. Panias
	K. Kubacki, ECLC General Manager, EIT RawMaterials, M. Klein, ECLC Business Developer, EIT RawMaterials	
	A. Karalis, S&T Manager, Bentonite Bauxite & Perlite, Imerys Industrial Minerals Greece S.A.	
	E. Balomenos, Residue-valorisation engineer, Metallurgy Business Unit, Alumina and Aluminium plant, Mytilineos Holdings	
	A. Xenidis, Professor, Sch. Of Mining and Metallurgical Engineering, NTUA	
	I. Yakoumis, Founder and CEO, Monolithos Catalysts & Recycling Ltd, President, "INNOVATION GREECE"	
	G. Drosos, Head of Business Innovation Policy Support Department, National Representative to the EU for Digitising Industry, Ministry of Economy and Development	
	V. Kilikoglou, Director, Institute of Nanoscience & Nanotechnology, NCSR Demokritos	
12:30 – 13:15	Lunch	
13:15 – 14:45	Discussion III: Raw Materials & Environment: SLO/Land Use Planning	Chair: G.Stanley
	A. Politis, ECLC Business Developer, EIT RawMaterials	
	Ch. Panagiotopoulou, Senior Researcher, Sch. Of Mining and Metallurgical Engineering, NTUA	
	E. Gazea, Environmental Manager, Hellenic Gold SA/ Eldorado Gold Corporation	
	K. Assimakopoulos, Raw materials & Mining Manager, Heracles Cement, LafargeHolcim	
	A. Koulidis, Head of Unit C, Directorate of Environmental Licensing, Ministry of Environment and Energy	
	K. Hatzilazaridou, Geologist, Department of Economic Geology, IGME	
Ch. Hadjigeorghiou, 1st Geological Officer, Geological Survey Department of Cyprus		
14:45 – 15:00	Event Closure
